

HOT WATER GENERATOR

SHANTI BOILERS

Total Heating Solutions

THE WARMEST WAY TO PLEASE YOUR GUESTS

SALIENT FEATURES

- ◆ Manufactured with Stringent quality control.
- ◆ Fully Automatic.
- ◆ Compact & Highly Efficiency
- ◆ Pressurized systems are also available.
- ◆ User Friendly control panel.
- ◆ Suitable for Multi Fuels
- ◆ Skid Mounted Design Low Cost of maintenance

SERVICES

- ◆ Turn-key supply of all types of industrial boilers and Auxiliary Equipments.
- ◆ Super-Market for all needs of Process Thermal Systems From single source, including spares and instruments.
- ◆ Total pre & post-sale-service, including consultancy from Corporate Office and associates, all over the country.
- ◆ Total package, ready for installation and immediate commercial start-up.

OPTIONALS

- ◆ Auto feed water level control, Pollution control Equipments, Ductings, chimney, control panel, economiser, water softner, steam pressure reducing station, etc.,

OTHER PRODUCTS

- | | | |
|----------------------------------|-------------------------|-----------------------------|
| ◆ Co-Generation Boiler & Systems | ◆ Thermic Fluid Heaters | ◆ Economisers |
| ◆ IBR Boilers | ◆ Gasifiers | ◆ Incinerators |
| ◆ Non-IBR Boilers | ◆ Waste Heat Boilers | ◆ Water Softeners |
| ◆ Small Industrial Boilers | ◆ Heat Exchangers | ◆ DM Plants |
| ◆ FBC Boilers | ◆ Hot Air Generators | ◆ Pollution Control Systems |

NEW PRODUCTS :

M.S.W. Boilers, Waste Water Treatment Plants, Solar Water Heaters....

AREA ASSOCIATES INDIA :

Vijayawada, Visakhapatnam, Rajahmundry, Bengaluru, Mangalore, Shimoga, Cuttack, Kolkatta, Nasik, Chennai, Ernakulam Calicut, Mumbai, Bhuvaneswar,

AREA ASSOCIATES OVERSEAS :

Bangladesh, Dubai, Ghana, Srilanka.

STAIDS

MULTIFUEL GENERATOR FOR A STEADY SUPPLY OF HOTWATER

Visit us at : www.shantiboilers.com

About us : Shanti Boilers & Pressure Vessels P Ltd is of the field of Boilers and heating systems. We are the first to manufacture boilers from the state of Andhra Pradesh. We started as a promising manufacturing set up in the year 1983 and then on, our vision has evolved year on year. Today with over 30 years of experience, the company is grown many folds and is certainly an established brand in the Industry. Our organisation is run by a professionally managed business Group and a very competent staff as support. We are an ISO-9001-2008 Company. We have more than 2000 satisfied customers in india and abroad. We have a wide network of Sales & Service throughout India & broad.

STAIDS –MODEL:ST-HWB-OF-SERIES

CAPACITY : 50000-30 LAC Kcal/hr

SALIENT FEATURES – Fully Automatic Stand alone skid mounted design with highly efficient ON/OFF or Modulating Burners.

FUEL : OIL (LDO/FO)/LPG/CNG/BIO GAS

TYPE : Shell & Tube in Dry and Wet Back.
High Efficiency, Compact 3 Pass Design

STAIDS-MODEL: ST-VR-OF- SERIES

CAPACITY : 50000-10 LAC Kcal/hr

SALIENT FEATURES- Fully Automatic Standalone skid mounted design with Split Burner to enable inbuilt Air Pre-heater.

FUEL : Oil(LDO/FO)/LPG/CNG

TYPE : Unique Coil type 4 Pass Design.

STAIDS – MODEL: ST-VRS-MF-SERIES

CAPACITY : 100000-30 LAC Kcals/hr

FUEL : Coal/Wood Waste/Bio Fuel/Husk/Coconut Shell/Kitchen Waste

SALIENT FEATURES : Shell & Tube Horizontal & Vertical Model with 3 Pass Design. Unique Fixed grate is provided for Different fuel type. Travelling Grate can also be offered for higher capacities.

APPLICATIONS

STAIDS HOT WATER GENERATORS ARE IDEAL FOR : HOTELS | HOSPITALS | RESORTS | HOSTELS & INDUSTRIAL USE
